

My story, from the Notre Dame de France Refugee Centre

Thank you for visiting our team's fundraising page for the 2018 London Legal sponsored walk.

Our Centre desperately needs funding to support vulnerable asylum seekers and refugees. We continue to see large numbers of people, many of whom are destitute, at our Drop In cafes. We offer many food parcels and clothing. All benefit from the specialised advice that we are able to offer.

Many of our visitors are from countries ravaged by war and political conflict. We have, up to now, specialised in advice for French-speaking asylum seekers and refugees: the majority have come from the Democratic Republic of Congo. But we are now seeing increasing numbers from elsewhere: the closure of many small, specialised advice centres due to funding cuts has contributed to this increased demand for our services.

The funds raised through this page will go towards providing a whole range of specialised advice to some of the most disadvantaged people in London. To find out more, visit www.notredamerc.org.uk. Please do sponsor the team!

We very much appreciate all your support and thank you for your donations.
